

THE ALGARVE AND LUZ

The Algarve offers many opportunities for a wonderful holiday. Of course, you will enjoy the sun-drenched beaches, the picturesque villages with little white houses, surrounded by fields full of citrus and almond trees. For athletes, there is lots of choice such as the beautiful golf courses, surfing, tennis, mountainbiking etc. or just enjoy the tranquility by walking on one of the trails through nature.

Sometimes it seems as if the time has stood still here. In the Algarve, you can still see the traditional Portuguese horse and carriage. A must is a visit to the local fish market or a cozy and cluttered gypsy market.
